STATE COLLEGE OF IOWA

KNOW YOUR STUDENT NUMBER

ADMISSION OF NEW STUDENTS

The application for admission, high school credits, and transcripts of credit earned in other colleges must be in the Office of the Registrar before an admission card can be issued.

MATRICULATION PROCEDURE FOR NEW UNDERGRADUATE STUDENTS

Follow the orientation and registration schedule handed you by your upper-class guide.

REGISTRATION PROCEDURE

Housing arrangements must have been made with or reported to the Dean of Students before registration materials can be prepared. This is required regardless of your classification or where you will be living while attending classes during the fall term.

1. Pick up registration materials in the first floor corridors of Administration and Auditorium buildings. Except for new students, these will be filed in Student Number Order.
2. Fill out the registration form.

This is a carbon form and must be filled out with care to insure a good carbon copy. Use a typewriter if possible.

3. See your adviser and get your schedule approved.

Advisers: In their offices for advanced registration.
In the Women's Gymnasium for regular registration.

Teaching Assignments: Advanced Registration: Aud 125
Regular Registration: Women's Gymnasium.

4. Secure course cards and turn in materials.

Advance Registration: Administration 10
Regular Registration: Women's Gymnasium

This is to be done at the time indicated on your Permit-to-Register card. See that the class cards given you are correct as to course and section numbers and hours of credit. Turn in all materials before leaving.

5. Pay your fees.

Your fee cards will be checked and returned to you when you turn in your registration materials. They are to go to the Business Office with your payment and your Permit-to-Register card. Please plan to pay by check. If you pay by cash, you must have the exact amount due. The Business Office will stamp your Permit-to-Register card "Paid" and return it to the Registrar's Office. If this has not been done by the third office day after completing your registration, your registration will be voided and your class cards returned to the file for use by other students.

Note You may pay your fees at the Business Office, or you may leave your payment, fee cards, and Permit-to-Register card in a sealed envelope marked "Fee Payment" at the Business Office. You must also enclose a self-addressed envelope which will be used to return your receipted ID card to you. The Business Office will assume no responsibility for lost ID cards. Lost ID cards will be replaced only upon payment of a fee of \$3.00.

Note If you leave your payment and fee cards in an envelope, be certain the check is made out correctly and for the right amount. A fine of \$2.00 will be imposed by the Business Office if it is necessary to call you in to correct your fee payment.

REGISTRATION MATERIALS AVAILABLE

Aug 1	Former students and graduate students
Aug 2	Former students and graduate students
Aug 3	Former students and graduate students
Sept 11	Former students, graduate students, new students
Sept 12	Former students, graduate students, new students

COMPLETING REGISTRATION

Advance Registration: Administration 10 open for issuing cards, August 3, 7:30-4:00.
Regular Registration: Gymnasium open for advising and completing registration:
New students September 11, 8:00-3:00
Former students September 12, 8:00-3:00

LATE REGISTRATION

If you must register late, consult with the Dean of Instruction to learn whether registration will be permitted, and if so, under what conditions. The Registrar's Office will inform you about the procedure to follow in registering. A fee of \$5.00 is charged for late registration.

CHANGE OF REGISTRATION

If you must change your registration

1. Go to your adviser and fill out a Change-of-Registration card.
2. When your adviser has approved the change, take the card to the Registrar's Office, Adm 109, for checking and levying of fee.
3. Take card to Business Office and pay any fee levied.
4. Take card to Tabulating Room, Adm 10, and complete the change there.

A fee of \$2.00 will be charged for any change of registration not required by the college.

No course for credit may be added after 4:50 p.m., Friday, September 28, 1962.

No undergraduate student may drop a course after 4:50 p.m., Friday, October 19, 1962, without receiving a grade of F in the course dropped.

SATURDAY AND EVENING CLASSES

Students who plan to enroll for Saturday and evening classes ONLY may register by mail. See instructions and forms in the evening and Saturday class schedule and announcements. Others should notify the Dean of Students of their intention at least two weeks before registration. Give name, home address, address during the semester (regardless of where you will be living), home telephone number, and fall semester telephone number.

Students who register for Saturday and/or evening classes in addition to other classes will register for them at the time of the other registration and will list all classes on the same registration card.

EVENING CLASSES

Evening classes are scheduled to begin Monday, September 17, Tuesday, September 18, Wednesday, September 19, or Thursday, September 13.

If at all possible, students intending to attend these classes who have not registered by mail should register at one of the regular registration periods, August 3 or September 11, 12. Those who cannot do so may register at the Office of the Registrar, BASEMENT, ROOM 10, Administration Building, during the hour preceding the first meeting of the class: 6:00-7:00 September 13, 17, 18, or 19. Students who have not arranged with the Dean of Students about their housing will be seriously delayed.

SATURDAY CLASSES

Saturday classes are scheduled to begin Saturday, September 15.

If at all possible, students intending to attend these classes who have not registered by mail should register August 3 or September 11, 12. Those who find it impossible to do so may register at the Office of the Registrar, BASEMENT, ROOM 10, Administration Building on Saturday, September 15. The office will be kept open from 8:00-9:00 a.m. for this purpose. Students who have not arranged with the Dean of Students about their housing will be seriously delayed.

BASIC FEES

Undergraduate, per semester	\$126
Less than 9 hours, per hour	14
Minimum fee	28
Graduates, per semester	\$141
Less than 9 hours, per hour	16
Minimum fee	32

OTHER FEES

Late Enrollment	\$5
Change of Registration	\$2
Applied Music	
Regularly enrolled college students, per credit hour	\$20
All others, per credit hour	\$40
Credit by examination, per hour	\$3
Visitor, by the week	\$7

STUDENT LOAD (undergraduate)

17 hours limit, unless student has above 2.5 grade point index.
(PE 1 included)
18 hours limit, unless student has above 3.0 grade point index.
(PE 1 included)
20 hours limit, no exceptions. (PE 1 included)
First semester enrollees are limited to 17 hours, including PE 1.

VETERANS

Be sure to answer all questions on registration blanks relative to status.

All new-student veterans must file a certified copy of DD form 214 with the veteran's clerk in the Registrar's Office whether attending under veterans benefits or not.

V. A. SPECIFICATIONS

LOAD	SUBSISTANCE
14 or more hours	Full Allowance
10-13 hours	3/4 Allowance
7-9 hours	1/2 Allowance
1-6 hours	Proration of fee only over period enrolled.

This schedule applies to both graduate and undergraduate students. Graduate students working on theses see Veterans Clerk in the Registrar's Office for interpretation.

SWIMMING-MEN

Men students (planning to complete a teaching program) must demonstrate competence in swimming (by testing) or complete a course in swimming during the first year of enrollment at this college.

CLASSIFICATION

Freshmen are students with less than 32 semester hours credit.
Sophomores are students with 32-63 semester hours credit.
Juniors are students with 64-95 semester hours credit.
Seniors are students with 96 semester hours credit or more.

EXPLANATION OF COURSE NUMBERS

Courses 0-99 are open primarily to Freshmen and Sophomores
Courses 100-199, open primarily to Juniors, Seniors, and Graduate students
Courses 200-299, open primarily to Graduate Students.
Undergraduates only at request of the Department Head.

ABBREVIATIONS OF CLASSROOM BUILDING NAMES

Adm	Administration
Annex	Near Wright
A & I	Arts and Industries
Aud	Auditorium
Bio	Old Hospital
Cen	Central Hall
Cer Lab	Ceramics Lab
Gil	Gilchrist Hall
HMH	Home Management House
Lib	Library
MGm	Men's Gymnasium
Mus	Music Building
PLS	Price Laboratory School
Sab	Sabin Hall
Sci	Science
WGm	Women's Gymnasium
Wrt	Wright Hall

PREREQUISITE

An entry in parenthesis after a course title indicates a prerequisite to be satisfied before enrolling for the course.

COURSES WITH (g) AFTER COURSE NUMBER MAY BE TAKEN
BY GRADUATE STUDENTS FOR GRADUATE CREDIT

Undergraduates should not enter the (g) on their registration cards.

FIRST HALF SEMESTER ends November 9, 1962, 5:00 p.m.

TEACHER EDUCATION

ADMISSION

RETENTION

REQUIREMENTS

PROCEDURES

Applicable to those who will be graduated after June 1964

Students who plan to graduate between July 1963 and June 1964 should read section entitled "Eligibility for Student Teaching."

STATE COLLEGE OF IOWA

1962

QUALIFICATIONS FOR TEACHING

Not everyone should choose to become a teacher, for the art of teaching makes severe demands upon the individual. To select the most promising candidates for a teaching career, the State College of Iowa has formulated a constellation of qualities which it considers desirable for teaching success. These will be observed throughout the candidate's college career. They are described in general terms under the four rubrics which follow:

Scholarship

The prospective teacher should show promise of being able to acquire the basic knowledges and skills required of him as a teacher. He should exhibit traits of intellectual initiative that would lead him to continued growth in knowledge and professional competence.

Personality

The prospective teacher should be mature in his attitudes and emotionally well adjusted, having such qualities as friendliness, tact, and a sense of humor. He should be reasonably free from personality traits that might make him ineffective in his profession—such traits as irascibility, moroseness, chronic fault-finding, impatience, and partiality.

Character

The prospective teacher should be a person of integrity, one who will command trust and respect. The term integrity is not to be construed narrowly. Violation of integrity may be exemplified by the student who cheats or steals, who flouts regulations, or who flagrantly disregards the right of others.

Physical Characteristics

Health. The prospective teacher should be in sound enough health to enable him to pursue his work with energy and vigor. Consideration will be given to such factors as communicable, debilitating, and incapacitating diseases.

Appearance. The physical appearance of the prospective teacher will be considered a factor in his fitness and acceptance. Consideration will be given to such factors as disfigurement, disabling handicaps, and unsightly appearance as a teacher.

Speech, hearing, and eyesight. Speech, hearing, and eyesight should be adequate for the prospective job.

If you can measure up to these standards, if you like children and young people, if you are willing to work hard and long at the job, then teaching may be the profession for you.

APPROVAL FOR TEACHER EDUCATION

To be fully approved for admission to one of the teaching curricula, you must meet three academic conditions.

1. You must have earned at least 24 semester hours of credit.
2. You must have a grade index of at least 2.20 for all college work.
3. You must have a grade index of at least 2.20 for all work at SCI.

Your grade index of 2.20 or above may, however, be called into question if it has been obtained by irregular means, such as an overbalance of courses outside your major, your minor, and the general requirements, or by excessive repetition of courses.

If your grade index is less than 2.20, you may be granted provisional approval, subject to the conditions listed immediately below. If you are granted provisional approval, you will be expected to earn full approval by the end of the succeeding semester.

TIME TO FILE APPLICATION FOR APPROVAL IN TEACHER EDUCATION

1. Freshmen

- a. Those who will have completed 24 semester hours of work at SCI at the end of a semester and who expect to have a grade index of 2.20 or above should file during that semester.
- b. Those who will have met the hours-of-credit requirement but who expect a grade index of between 2.00 and 2.19 are permitted but not encouraged to file.

2. Sophomores

- a. Those who will have completed 24 semester hours of work at SCI and who expect to have a grade of 2.20 or above should file during the semester.
- b. Those who will have met the hours-of-credit requirement but who expect a grade index of between 2.10 and 2.19 are permitted but only mildly encouraged to file.
- c. Those who will not have completed 24 semester hours of work at SCI and who do not expect a grade index of 2.10 or above should not file.

3. Juniors

- a. Those who will have completed 24 semester hours of work at SCI and who expect a grade index of 2.20 or above must be sure to file. Failure to do so may delay graduation.
- b. Those who will have met the hours-of-credit requirement and expect a grade index between 2.15 and 2.19 should file during the semester.
- c. Others should not file.

4. Transfer students of junior and senior standing

These should file during the semester at the end of which they expect to have completed 24 semester hours of work at SCI and to have earned a grade index of 2.20 or above, both for all college work and for college work at SCI.

If you are on provisional approval, you should get full approval by the beginning of your junior year in order to meet all your requirements in the minimum time. Once full approval is obtained, it does not remain automatically in force but will lapse if your grade index falls below 2.20, or if you prove deficient in any of the four sets of qualifications described on pages 1 and 2. In such cases the Committee on Teacher-Education Standards and Practices will change your full approval to a provisional approval, or may even cancel your approval. If your approval is cancelled, this does not mean that you are removed from college, although the cancellation of your approval will be reported to the Committee on Admission and Retention. You have nothing to worry about, however, if you are working consistently and satisfactorily.

If for any reason you are suspended from college, your approval in teacher education will be automatically cancelled. If at a later date you are readmitted to college, you will have to re-apply for approval to teacher education and your candidacy will be reassessed.

EFFECTIVE DATE OF THE FOREGOING 2.20 REQUIREMENT

The 2.20 index requirement for graduation from the teacher education program takes effect with those who enrolled as freshmen in September 1961. The present 2.00 index requirement will remain in effect for those who will meet their B. A. degree requirements by June 1964.

Certain exceptions to the 2.20 index will be made for two groups:

1. Students called into military service.
2. Those who had Statements of Further Work Required for Graduation issued before September 1, 1961, and who progress toward a degree by successive summer sessions. These will have until the end of the valid period of the Statements of Further Work Required for Graduation, which is five years from date of issue, to complete their work under the 2.00 index standard.

PROCEDURE FOR FILING APPLICATION FOR APPROVAL IN TEACHER EDUCATION

You will get an application card in the Registrar's Office, fill it out completely, sign it, and leave it in the Registrar's Office. The Committee on Teacher-Education Standards and Practices will act upon your application, and you will be informed of its decision near the end of the semester in which you apply, or soon thereafter if you apply before you have met requirements.

ELIGIBILITY FOR STUDENT TEACHING

The present requirement of a 2.00 index for student teaching will remain in effect until the summer session of 1963. Beginning with this summer session and continuing for two semesters, you will be required to have a grade index of 2.10 or above to be eligible for student teaching. Beginning with the summer session of 1964, you will be required to have a grade index of 2.20 or above to be eligible for student teaching.

MAJOR-MINOR DECLARATION

Early in your college career, normally during the second semester of your freshman year, you should choose your major and minor fields of study. When you have made your choice, you go to the departmental office of your major and get a major-minor declaration form. At this time you will be assigned an adviser in the major department. Next, you fill out the form, have your major adviser sign it, and return it to the Registrar's Office.

This major-minor declaration should be accomplished before or at the same time as you file your application for approval in teacher education. The major and minor indicated on the application for approval in teacher education must agree with the major-minor declaration. If they do not agree, a new major-minor statement must be filed.

TEACHER CERTIFICATION

When you complete a teacher-education program at SCI you are eligible for an Iowa Professional Certificate. Each certificate carries what is known as endorsements. A student graduating with a major in elementary education is eligible for a certificate endorsed for elementary teaching. One with a major in an academic subject is eligible for an endorsement for secondary teaching. One with a major in a special field, for example music, is eligible for a certificate endorsed for secondary teaching and also receives a special endorsement licensing him to teach in his special field from kindergarten through grade 12.

In addition to certification, you must reckon with approval. This term is used by the State Department of Public Instruction to refer to the subject or subjects which a student is permitted to teach at the levels for which he is endorsed. When the college recommends to the State Department of Public Instruction that a student be issued a certificate endorsed for secondary teaching it must also recommend the specific subjects which he should be approved to teach. The State Department of Public Instruction then issues two documents: a teaching certificate carrying the proper endorsement, and an approval statement listing the subject which the certificate holder may teach. Normally a secondary teacher would expect to receive approval in the areas of his major and minor. Elementary teachers do not receive approval statements since the elementary endorsement itself covers all the elementary subjects through the sixth grade.

The Committee on Teacher-Education Standards and Practices consults with the student's major and minor departments to determine which subjects the department will approve the student to teach. Some departments offer courses in several fields. The Department of Social Science, for instance, has offerings in history, government, sociology, economics, and geography. Such a department may approve a student for teaching certain subjects in which he is qualified but withhold approval for teaching subjects in which the student is not qualified. For example, a student may be approved for American history but not for other history, for sociology but not for economics.

A student is notified if the department decides not to approve him for teaching a subject offered by that department. It is possible that a student might be denied approval in a given subject at the time of graduation, but could make himself eligible by subsequent work. For example, he might not be approved by the department for teaching American history because of insufficient credit or unsatisfactory grades in American history; but during a later summer session or semester he might take further work and become eligible for approval.

In general, the failure to secure approval for teaching a subject will not prevent a student from getting a degree and a certificate. In the unlikely case, however, that a student were refused all approvals sought, the degree and certificate might be withheld.

TEACHER CERTIFICATION IN OTHER STATES

As long as the State College of Iowa is approved by the National Council for Accreditation for Teacher Education, our graduates are automatically eligible for certificates in other states which have agreed to accept this accrediting program, and in those states the student is eligible for a certificate equivalent to the Iowa certificate for which he has met requirements. In states which are not a part of this agreement, the student may be given full certification, or may receive limited certification pending the meeting of specific course requirements established by those states.

In general, when you complete a teacher education program at SCI, you can secure a certificate in any of the fifty states, but there are requirements unique to each state which may place temporary restrictions on the certificate. If you wish a certificate in another state, you are advised to contact the Registrar's Office during your senior year and make the arrangements necessary to get a certificate.

(\$\$\$) A student with credit in 96:11 should consult Dept Head

The majority of classes will have a first weekly meeting on either Monday or Tuesday. In the following boxes read the inserts as follows: 8 M means all classes which have their first weekly meeting at 8:00 a. m. Monday. 1 T means all classes which have their first meeting of the week at 1:00 p. m. Tuesday.

	Jan 28	Jan 29	Jan 30	Jan 31
8:00 to 9:50 a. m.	9 T	8 M	9 M	8 T
10:00 to 11:50 a. m.	10 M	10 T	11 T	11 M
1:00 to 2:50 p. m.	1 M	1 T	12 M	12 T
3:00 to 4:50 p. m.	3 T	2 M	2 T	4 T
7:00 p. m.	7 M	7 T 4 M	7 W	

1. Instructors having classes which begin on days other than Monday or Tuesday will choose, upon consultation with the class, a special time for the examination and report the time to the Dean of Instruction at least one month in advance of the examination date.
2. Students who have conflicts will report that fact to the Dean of Instruction at least one month in advance of the examination date in order that adjustments may be made.
3. Classes meeting the first nine weeks only will have their examinations during the last meeting periods of the class. Classes meeting the second nine weeks only will meet through the final examination period, having their examination during the last class meeting.
4. Saturday classes will have their examination on Saturday, January 26, 1963.

Use this section for making your trial schedule.
